PURSUIT OF COURSES

§ 21.9710 Pursuit.

Except for an eligible individual seeking tuition assistance top-up or reimbursement for taking an approved licensing or certification test, an individual's educational assistance depends upon his or her pursuit of a program of education. Verification of this pursuit is accomplished by various certifications.

(Authority: 38 U.S.C. 3323(c))

§ 21.9715 Advance payment certification.

All certifications required by this section shall be in a form specified by the Secretary and shall contain such information as specified by the Secretary. An advance payment under this chapter is only permissible to an individual whose rate of pursuit is greater than half-time, and who is entitled to the monthly housing allowance as provided in § 21.9640(b)(1)(ii) or (b)(2)(ii).

(a) *Certification needed before an advance payment can be made.* In order for an individual to receive an advance payment of the monthly housing allowance, an application or other document must be signed by the individual or the enrollment certification must be signed by an authorized official of the institution of higher learning.

(Authority: 38 U.S.C. 3034(a), 3323(a), 3680(d))

(b) *Advance payments.* All verifications required by this paragraph shall be in a form specified by the Secretary and shall contain such information as specified by the Secretary.

(1) For each eligible individual receiving an advance payment, an institution of higher learning must—

(i) Verify enrollment for the individual; and

(ii) Verify the delivery of the advance payment check to the individual.

(2) Once the institution of higher learning has initially verified the enrollment of the individual, the individual, not the institution of higher learning, must make subsequent verifications in order to release further payment for that enrollment as provided in § 21.9730.

(Authority: 38 U.S.C. 3034(a), 3323(a), 3680(d))

§ 21.9720 Certification of enrollment.

Except as stated in § 21.9680, an institution of higher learning must certify an eligible individual's enrollment before he or she may receive educational assistance.

(a) *Institutions of higher learning must certify most enrollments.* VA does not, as a condition of payment of tuition assistance top-up or advance payment, require institutions of higher learning to certify the enrollments of eligible individuals who either are seeking tuition assistance top-up or, in the cases described in § 21.9715, are seeking an advance payment. VA does not require organizations or entities offering a licensing or certification test to certify that the eligible individual took the test. In all other cases, the institution of higher learning must certify the eligible individual's enrollment before he or she may receive educational assistance. This certification must be in a form specified by the Secretary and contain such information as specified by the Secretary.

(Authority: 38 U.S.C. 3014(b), 3031, 3034(a), 3323(a), 3482(g), 3680, 3687, 3689, 5101(a))

(b) *Length of the enrollment period covered by the enrollment certification.* (1) Institutions of higher learning that offer courses on a term, quarter, or semester basis will report enrollment for the term, quarter, semester, ordinary school year, or ordinary school year plus summer term. If the certification covers two or more terms, the institution of higher learning will report each term, quarter, or semester separately.

(2) Institutions of higher learning organized on a year-round basis that do not offer courses on a term, quarter, or
